## DIRECTOR'S MESSAGE

It is indeed an honor and pleasure to serve as your East Lowcountry District Director. I'm indeed privileged to know many of you personally, and am grateful for our friendship. I look forward to meeting those of you who I haven't yet met, and making new friends. This is my reward for serving. Thank you for this opportunity.

The next two years present us opportunities to work together in a fun and fruitful way. This September we plan a "Meet and Greet" Meeting at Cypress Gardens, a central location between our clubs. At the request of our GCSC President, Maida Dantzler, we will incorporate a Horticulture Workshop presented by our very knowledgeable Horticulture Chairman, Kathy Woolsey. Kathy is Garden Curator at Cypress Gardens. Also, we plan to have our GCSC Good to Grow Chairman as our special speaker to educate us on Maida's new, exciting and meaningful project. In September 2012, we'll enjoy another Club President's Meeting with a Design Program by our very talented Design Chairman, Terry Ritche. While all of you have families, churches and other interests that you are devoted to and busy with, you are to be commended for always finding quality time to donate to Garden Club work.

Membership continues to be a major concern for NCG, Inc., GCSC, Inc. and for all of our clubs. This year our District lost two clubs, but acquired another one, Green Thumb GC of St. George, so we remain at 33, down from 34 in 2009. Club Presidents, I urge you to plan interesting and exciting programs and projects that will motivate your members and enlighten your communities as to just what good work Garden Clubs do. East Lowcountry has **so** much talent, and I know that you will continue to readily share your talents in all areas of Garden Clubbing.

Let's enjoy working together to "*Preserve the Past, Plant for the Future.*"

*Betty H. Gourdin*

East Lowcountry District Director 2011-2013

*According to the Policy of the Garden Club of South Carolina, Inc., membership lists may not be used for advertising or solicitation.*

YOUR FEDERATED GARDEN CLUB IS A MEMBER  
OF  
NATIONAL GARDEN CLUBS, INC.

National Garden Clubs, Inc. (NGC, Inc.) is a not-for-profit educational organization with its headquarters in St. Louis, Missouri, United States. It is composed of 50 State Garden Clubs and the National Capital Area, 6,218 member garden clubs and 198,595 members. In addition, NGC, Inc. proudly recognizes 447 International Affiliates from Canada to Mexico and South America, from Bermuda to South Africa, Australia and Japan, as well as 149 National Affiliates within the United States.

The purposes of NGC, Inc. are:

- *To co-ordinate the interests and activities of the State Garden Clubs with similar organizations in the United States and abroad*
- *To aid in the protection and conservation of natural resources, to promote civic beautification and encourage the improvement of roadsides and parks*
- *To encourage the establishment and maintenance of botanical gardens, arboreta and horticultural centers for the advancement of science, enjoyment and education of the public*
- *To advance the study of gardening, landscape design, environmental issues, floral design and horticulture and assist deserving students through college scholarships in these fields of endeavor*
- *To co-operate with other organizations furthering the interests of horticulture, conservation, environmental protection and civic beautification.*

The first garden club in America was founded in January 1891 by The Ladies Garden Club of Athens (Georgia). On May 1, 1929 thirteen federated states became charter members at an organizational meeting in Washington, D.C. In 1935 the National Garden Clubs, Inc. obtained space for a Headquarters at Rockefeller Center, New York City. Following fund raising from 1953-1957, a permanent Headquarters building was dedicated May 10, 1958 in St. Louis, Missouri, United States.

THE SOUTH ATLANTIC REGION

All federated garden clubs in Kentucky, North Carolina, South Carolina, Virginia and West Virginia are members of the South Atlantic Region (or SAR), one of the eight such regions in the National Garden Clubs, Inc.

The South Atlantic Region meets once each year at a convention hosted by each state on a rotational basis. The 2012 convention will be March 25-27 at the Greenbrier Hotel in White Sulphur Springs, West Virginia.

## EAST LOWCOUNTRY DISTRICT

The East Lowcountry District is one of seven geographic districts within the Garden Club of South Carolina, Inc. This is YOUR District and is your main line of communication with each other and with the officers and chairmen of GCSC, Inc. Currently there are 2 councils and 33 federated clubs in the East Lowcountry District.

There is one District Meeting in March each year. This meeting is hosted by a club, group of clubs or council on a rotational basis. The rotation for 2012-2013 is as follows:

March 2012	Riverland Terrace Garden Club Lawton Bluff Garden Club Melrose Garden Club Magnolia Garden Club of Johns Island
March 2013	Isle of Palms Garden Club Alhambra Garden Club The Groves Garden Club Hickory Hill Garden Club Camellia Garden Club of Greater Charleston
