Dear Sponsor,

Your organization is cordially invited to participate in the 87th Annual Convention of The Garden Club of South Carolina, Inc. to be held April 27-29, 2017 at the Westin Poinsett Greenville.

The Garden Club of South Carolina's Convention is a gathering of garden club members, affiliates and dignitaries from all over South Carolina. The purpose is to educate and honor the incredible community service work that our members perform across South Carolina. Our average attendees are highly educated, civic-minded individuals who serve South Carolina through community gardening, landscaping, historic preservation, civic beautification, floral design, environmental stewardship programs and litter control projects.

This year's theme "*Blooming and Growing in the Upstate*", will highlight the vast achievements, gardens, public spaces and community projects in that district.

Most attendees will be seeking resources and ideas to incorporate into their own community programs so this is an incredible opportunity to promote like-minded businesses and environmentally conscientious companies that seek patronage from our membership. It's also a great way to expand your outreach since many of our members arrange future speaking engagements and educational programs from this convention.

Enclosed are the details on Sponsorship and Vending Opportunities. Please contact me to discuss further.

Feel free to call me for more details.

Sincerely,

Trish Bender, 3rd Vice President
Garden Club of South Carolina, Inc.

SPONSORSHIP FORM

Sponsors are not required to attend and may send advertising materials, coupons, business cards and giveaways items for our convention bags prior to the event. Sponsors will be recognized in our printed programs and on signage at the event *More importantly, most sponsors who include coupons and free consultation offers gain long term customers!* **Payment and materials for all sponsors are due on or before April 1, 2017**
