

The Garden Club of South Carolina, Inc.
Christmastime 2017

Dear GCSC Board of Directors and Club Members,

This is the time of year when we are all very busy getting ready for the holidays. Our time is consumed with decorating, buying presents, festive parties and cooking and baking our family's favorite goodies! The season brings lots of memorable moments we cherish with family and friends.

I would like to take this opportunity to thank you for your continued support of The Garden Club of South Carolina. GCSC is a productive and thriving organization with so much to offer! You have made it successful just by your continued participation in the projects and programs offered! All I need to do is reread your Yearbooks to know how dedicated you all are to beautifying, educating, conserving and preserving our beautiful state!

I wish you many blessings and merriment in the days ahead and a healthy and Happy New Year!

Sincerely,

Donna
